

## **Amendment to Section 2**

### **Section 2.02 - Definitions**

**Accessory Structure:** Any building or structure that is customarily incidental and subordinate to the use of the principal building or structure, including but not limited to, accessory buildings, personal freestanding television and radio reception antennas, satellite dishes and signs. Provided, however, a shipping container shall not be an accessory structure. Accessory structure must not contain any unit with all of the following: sleeping/living area, kitchen and sanitary facility.
